

MANOR
TEACHING SCHOOL

Manor Primary Teaching School

Outstanding Senior Leadership Programme

To support the development of primary school leaders to become outstanding in their leadership role. To support middle leaders **(Subject/ aspect/phase leaders)** in leading and managing change in their subject/aspect that raises standards of attainment across the school

Led by highly experienced National Leadership Consultant

Overview

Carrying out a range of self-review that effectively identifies strengths and weaknesses

- Analysing and presenting data
- Leading and managing change that will impact on rates of progress and standards
- Skills of leadership – making an impact and the leadership tool box
- Becoming a highly effective deputy or assistant Headteacher
- Leadership & management of learning
- Understanding the OFSTED framework and implications for outstanding Leadership
- Using raise on line Key principles of learning centred leadership
- Strategic Leadership what is it and what does it look like

Designed by Manor Teaching School and facilitated by experienced Leadership Consultant this is a three day programme that supports subject/ aspect leaders in being able to effectively carry out a rigorous Self-review in their subject and use this to lead and manage change in their subject in order to raise standards
